

105.1441 DEM/autopsy

Case - Timothy N. Pfeiffer,
Subject - Homicide, New Brunswick, N.J.,
Operative - 312.

October 5, 1922. In connection with the above matter, Operative proceeded to the Kings County Hospital on Clarkson St., Brooklyn, N.Y., in an effort to gain any information possible concerning an autopsy due to be performed upon the deceased, Reverend Edward Wheeler Hall.

Upon arrival at the above mentioned hospital, Operative interviewed Mr. Hart, the supervisor. Mr. Hart could not give Operative any information as to what was going on, as he himself was not permitted to be present.

Operative learned that the autopsy was being performed in the Morgue of the hospital, and that it took place between 2 p.m. and 3.30 p.m.

Mr. Hart advised Operative the the body came there in a brass casket enclosed in a wooden box covered with Black Cloth.

Operative observed that Morgue was guarded by Police Officers, and that no one was permitted to leave or enter the Morgue who was unknown to the above mentioned Officers.

Being unable to gain any further information with regard to the above matter, Operative returned to the Agency's Office and discontinued.
